Phase 1 of the Water Project involves metering and the rehab of Kelley Summit Springs. Yarussi Construction, Inc. is the contractor for the meter replacement. Cost estimate of \$250,000.00 with in house labor. Changes within the Department of Public Works require possible adjustments to the springs rehab. Options reviewed included immediate hiring of DPW personnel, shared service with a neighboring town or Cattaraugus County, outside contractor or retention of personnel. Trustees Pritchard and Crawford to contact New Albion and NYS Dept. of Transportation and Mayor Mosier to contact Cattaraugus County and Little Valley regarding possible shared service alternatives.
